

HARVEST RIDGE SCHOOLS

DOCUMENT RETENTION AND DESTRUCTION POLICY

Purpose

This policy provides for the systematic review, retention, and destruction of documents received or created by Harvest Ridge Schools (“Charter School”) in connection with the transaction of organization business. This policy covers all records and documents, regardless of physical form, contains guidelines for how long certain documents should be kept, and how records should be destroyed (unless under a legal hold). If a user has sufficient reason to keep an e-mail message, the message should be printed in hard copy and kept in the appropriate file or moved to an “archive” computer file folder. Backup and recovery methods will be tested on a regular basis.

Emergency Planning

The Charter School’s records will be stored in a safe, secure, and accessible manner. Documents and financial files that are essential to keeping the Charter School operating in an emergency will be duplicated or backed up at least every week and maintained off-site.

Document Destruction

The Charter School’s Executive Director, or his or her designee, is responsible for the ongoing process of identifying its records, which have met the required retention period, and overseeing their destruction. Destruction of financial and personnel-related documents will be accomplished by shredding.

Document destruction will be suspended immediately, upon any indication of an official investigation or when a lawsuit is filed or appears imminent. Destruction will be reinstated upon conclusion of the investigation. The Charter School will comply with any applicable requirements regarding the preservation of documents related to litigation.

Compliance

Failure on the part of employees to follow this policy can result in possible civil and criminal sanctions against the Charter School and its employees and possible disciplinary action against responsible individuals. The Executive Director, or his or her designee, will periodically review these procedures with legal counsel or the organization’s certified public accountant to ensure that they are in compliance with new or revised regulations.
