

November 27, 2015

Dear Families,

We are excited to announce, in partnership with Trailhead Racing, our 1st Annual Earth Day 5K that will be held on April 30, 2016. We could not think of a better way to help our school obtain the critical monetary resources it needs then by sponsoring an event that honors mother earth, promotes health and wellness in our community, and serves to help educate our students about the importance of conservation and caring for our planet.

At Harvest Ridge Placer Academy, project based learning, collaboration and critical thinking have been an important part of everything we do since day one, and this will never change. However, we will soon be pursuing these noble concepts in a new facility. We are in need of your support to help our school grow and continue enriching the learning of our students.

We have a perfect opportunity to partner with our community and fundraise for our school. It's going to take everyone working together to make this event a success. You can help by sharing the sponsorship form with family, friends, your employer, businesses in the community, your church, dentist, gym, or any other connection you may have. In addition, the Earth Day 5K goes live on *Active.com* January 1, 2016. I encourage everyone to sign up and participate in this great cause. You can run, walk, or just pay the entry fee and enjoy the fun festivities on race day.

We are also in need of volunteers that would like to assist in making this event successful. If interested, please contact Karyn Beaudin at hrppto@harvestridgeschool.org.

We sincerely thank you for your consideration and kindly ask that you support our school and this fundraiser. Let's work together to make our community stronger and help our school continue to grow and enrich the lives of our children. We look forward to seeing you on race day, Saturday, April 30th at 9am.

Note:

Anyone interested in a 2015 tax benefit please contact hrppto@harvestridgeschool.org and make your donations by *December 31, 2015*.

Thank you,

Karyn Beaudin
