

HARVEST RIDGE COOPERATIVE CHARTER SCHOOL
Inquiries Regarding Immigration Status, Citizenship Status, and National Origin
Information

Harvest Ridge Cooperative Charter School (HRCCS) personnel shall not inquire specifically about a student's citizenship or immigration status or the citizenship or immigration status of a student's parents or guardians; nor shall personnel seek or require, to the exclusion of other permissible documentation or information, documentation or information that may indicate a student's immigration status, such as a green card, voter registration, a passport, or citizenship papers.

Where any law contemplates submission of national origin related information to satisfy the requirements of a special program, HRCCS personnel shall solicit that documentation or information separately from the school enrollment process.

Where permitted by law, the Executive Director of HRCCS shall enumerate alternative means to establish residency, age, or other eligibility criteria for enrollment or programs, and those alternative means shall include among them documentation or information that are available to persons regardless of immigration status, citizenship status, or national origin, and that do not reveal information related to citizenship or immigration status.

Where residency, age, and other eligibility criteria for purposes of enrollment or any program may be established by alternative documents or information permitted by law or this policy, HRCCS's procedures and forms shall describe to the applicant, and accommodate, all alternatives specified in law and all alternatives authorized under this policy.
